Designed to break trails and get you to the peak, the Backcountry category offers our most aggressive traction without sacrificing comfort and control.

MOUNTAINEER

¥45,100 (税込)

Easily access the backcountry with the Mountaineer, our classic tubular frame snowshoe for go anywhere, do anything versatility. Aggressive traction is provided on two fronts by the eight teeth of the Anaconda™ toe crampon backed up by enhanced downhill braking from the Python™ heel crampon. The ActiveFit™ 2.0 binding brings comfort, security and ease-of-use with a TPU cinch strap that reduces friction and ice build-up, and the single-handed convenience of the EZ heel buckle. The Mountaineer's design is rounded out with the ActiveLift™ 19° heel lift to reduce calf fatigue and tendon strain on the steeper ascents encountered in backcountry terrain.

Frame & Decking: Pro-Step™ Frame, Soft-Tec™ Decking

Articulation: R2™ Revolution Response

Control: ActiveFit 2.0™ Binding

Traction: Anaconda™ Toe Crampon, Python™ Heel Crampon

Other: ActiveLift™ 19° Heel Lift, EZ Heel Buckle

MEN'S

Available Sizes: 25", 30", 36"

Weight/Pair: 4.9 lbs / 2.24 kgs (25")

WOMEN'S

Available Sizes: 21", 25"

Weight/Pair: 4.8 lbs / 2.16 kgs (25")

BACKCOUNTRY

FLEX VRT

¥39,600 (税込)

The Flex VRT is our premium composite deck snowshoe designed to deliver high quality performance for backcountry exploration. The DynamicFit™ 2.0 binding features the BOA® Fit System micro-adjustable, precision fit, engineered to perform in the toughest conditions. The Flex Torsion Deck technology allows for a natural stride from heel to toe absorbing impact to reduce the amount of stress on joints. At the same time the FLEX tail engages the built in tail traction, keeping the snowshoe tracking and underfoot, making descents a breeze. This deck provides just the right amount of rigidity for side hilling while conforming to the terrain. Paired with aggressive Traction Rails and the Viper™ 2.0 crampon this snowshoe bites into any snow conditions. Engaging the ActiveLift™ 19° heel lift this becomes a mountain climbing machine.

Frame & Decking: Torsion Deck™, Flex Tail™

Articulation: Rotation Limiter

Control: DynamicFit 2.0™ Binding

Traction: Viper 2.0™ Toe Crampon, 3D-Curved Traction Rails

Other: ActiveLift™ 19° Heel Lift, EZ Heel Buckle

MEN'S

Available Sizes: 25", 29"

Weight/Pair: 4.4 lbs / 1.98 kgs (25")

WOMEN'S

Available Sizes: 21", 25"

Weight/Pair: 4.3 lbs / 1.94 kgs (25")

FLEX ALP

¥36,300 (税込)

Uneven and sidehill terrain are no match for the Flex ALP's Torsion Deck™ technology that allows torsional articulation throughout the body of the snowshoe to enhance traction and preserve your natural gait. With the micro-serrated Traction Rails, Viper™ 2.0 toe crampon and built in tail traction pins this snowshoe has grip in even the most technical terrain. Getting in and out of these snowshoes is easy and intuitive thanks to the ActiveFit™ 2.0 binding. Featuring an easy to grip TPU cinch strap which reduces friction and ice buildup and our EZ Heel Buckle, this binding holds your foot securely while allowing for a quick entry and exit. Finally, the ActiveLift™ 19° heel lift provides extra support on steeper ascents making the Flex ALP a go-to for backcountry travel.

Frame & Decking: Torsion Deck™, Flex Tail™

Articulation: Rotation Limiter

Control: ActiveFit 2.0™ Binding

Traction: Viper 2.0™ Toe Crampon, 3D-Curved Traction Rails

Other: ActiveLift™ 19° Heel Lift, EZ Heel Buckle

MEN'S

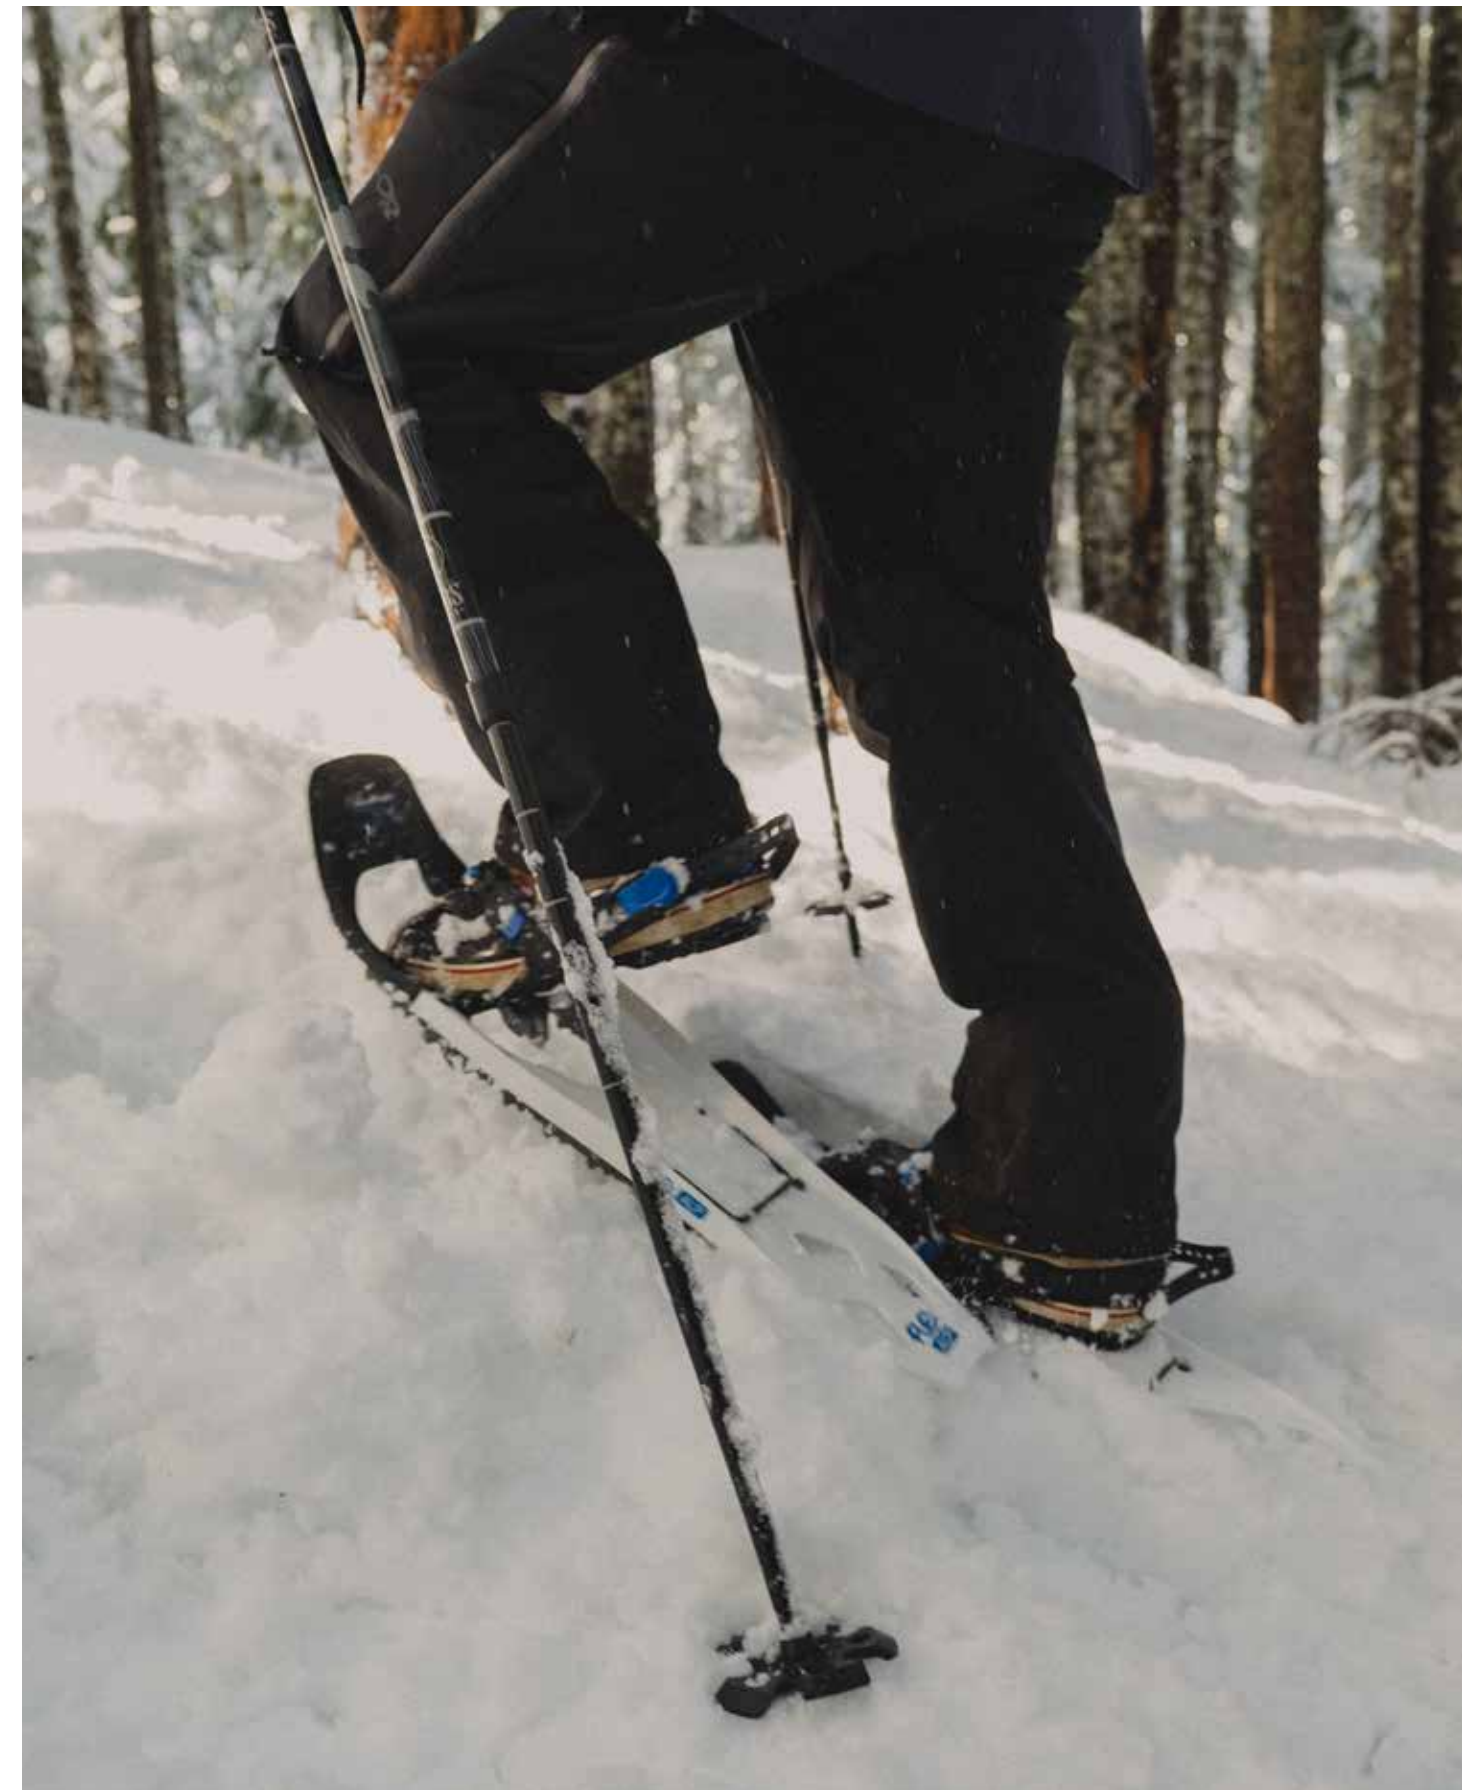

Available Sizes: 25", 29"

Weight/Pair: 4.4 lbs / 2.02 kgs (25")

WOMEN'S

Available Sizes: 21", 25"

Weight/Pair: 4.3 lbs / 1.97 kgs (25")

The snowshoes in the Day Hiking category are crafted to “do-it-all”. From uphill climbing in deep powder to cruising a hard-packed path, these snowshoes fit the bill for all your winter journeys.

PANORAMIC

¥40,700 (税込)

The Panoramic has quickly become a favorite of the snowshoeing community! Sitting at the top of our Day Hiking category it is a well-rounded, user-friendly and versatile snowshoe that’s at home in all types of terrain and snow conditions. It’s innovative Fit-Step™ 2.0 frame coupled with the butter-smooth SoftTec™ decking deliver optimal flotation in deep snow. For optimized fit, control and comfort the Panoramic features the DynamicFit™ 2.0 binding with the BOA® Fit System and EVA foam. When conditions get icier or trails become more compact the Panoramic’s aggressive Cobra™ toe crampon grips with six carbon steel teeth providing traction and confidence. With a myriad of functional features, you can always count on the Panoramic to help you reach the best view on the trail!

Frame & Decking: Fit-Step™ 2.0 Frame, Soft-Tec™ Decking

Articulation: R2™ Revolution Response

Control: DynamicFit 2.0™ Binding

Traction: Cobra™ Toe Crampon, Tubbs Heel Crampon

Other: ActiveLift™ 16° Heel Lift, EZ Heel Buckle

MEN’S

Available Sizes: 25”, 30”, 36”

Weight/Pair: 4.4 lbs / 1.98 kgs (25”)

WOMEN’S

Available Sizes: 21”, 25”, 30”

Weight/Pair: 4.3 lbs / 1.94 kgs (25”)

WILDERNESS

¥33,000 (税込)

A well-balanced Day Hiking snowshoe, the Wilderness is the perfect blend of functional technology and comfort. The Fit-Step™ 2.0 frame with SoftTec™ decking provide ample flotation when the snow gets deep, while the tried- and-true Cobra™ toe crampon and Tubbs heel crampon bring the traction and stability needed on varying terrain. The Quick-Fit binding provides the supportive, but comfortable fit with easy and intuitive entry/exit. With an ActiveLift™ 16° heel lift to reduce calf fatigue on steeper ascents the Wilderness has you covered no matter where adventure leads.

Frame & Decking: Fit-Step 2.0™ Frame, Soft-Tec™ Decking

Articulation: Rotating Toe Cord with Rotation Limiter

Control: Quick-Fit Binding

Traction: Cobra™ Toe Crampon, Tubbs Heel Crampon

Other: ActiveLift™ 16° Heel Lift, EZ Heel Buckle

WOMEN'S

Available Sizes: 21", 25"

Weight/Pair: 4.2 lbs / 1.89 kgs (25")

FLEX TRK

¥25,300 (税込)

An excellent all-around Day Hiking category snowshoe for anyone from the beginner to the intermediate snowshoer. The composite deck of the Flex TRK comes in a 22" and 24" length and features our Flex Tail™ technology to absorb shock and promote a natural heel to toe roll when walking. The Tubbs toe crampon and traction rails provide ample grip on uphill, downhill and sidehill terrain while the ActiveLift™ 16° heel lift reduces calf fatigue on steeper ascents. The Quick-Fit binding provides a quick and secure fit with easy-pull straps and roller buckle heel strap. If you're in the market for an entry to mid-level snowshoe to get outside on this winter, then check out the Flex TRK!

Frame & Decking: Torsion Deck™, Flex Tail™

Articulation: Rotation Limiter

Control: Quick-Fit Binding

Traction: Traction Rails, Tubbs Toe Crampon

WOMEN'S

Available Sizes: 22"

Weight/Pair: 3.5 lbs / 1.56 kgs

FLEX RDG

¥31,900 (税込)

Designed to tackle a wide variety of mountainous terrain, the Flex RDG has the functional features you need to crush a hike and then some. Its composite Torsion Deck™ allows articulation throughout the body of the snowshoe to enhance traction, preserve your natural gait and improve comfort. Flex Tail™ technology rounds out the deck's design for a more natural feeling heel to toe roll and shock absorption. The Flex RDG also features our intuitive CustomWrap™ 2.0 binding which integrates the user-friendly BOA® Fit System for a fast, effortless, precision fit. What makes this binding truly unique is the incorporation of the heel strap into the overall construction, creating an exceptional full-foot precision fit with the simple turn of a dial. With the confidence-inspiring traction provided by the Tubbs toe crampon and 3-D curved traction rails, the Flex RDG is an excellent all-around snowshoe for winter hiking.

Frame & Decking: Torsion Deck™, Flex Tail™

Articulation: Rotation Limiter

Control: CustomWrap 2.0™ Binding

Traction: Traction Rails, Tubbs Toe Crampon

Other: ActiveLift™ 16° Heel Lift

MEN'S

Available Sizes: 24"

Weight/Pair: 3.9 lbs / 1.79 kgs

WOMEN'S

Available Sizes: 22"

Weight/Pair: 3.5 lbs / 1.59 kgs

Designed to carry you over level terrain and packed snow, the Trail Walking category is perfect for beginning snowshoers or seasoned hikers looking to take in a full day on the trails.

WAYFINDER

¥34,100 (税込)

The top snowshoe in our Trail Walking category, the Wayfinder is always ready to hit the trails! The technology highlight on this best-selling snowshoe is, without a doubt, the ingenious CustomWrap™ 2.0 binding featuring the BOA® Fit System. This binding integrates the heel strap with the BOA® lace, encompassing your foot with a simple turn of the dial to provide optimal fit and comfort. The FitStep™ 2.0 frame and SoftTec™ decking provide the needed flotation on soft snow, as the carbon steel recreational toe and heel crampons bite into snow and ice for secure uphill, downhill and sidehill grip. If you're looking for a snowshoe to take on flat to moderately rolling terrain, the Wayfinder won't steer you wrong!

Frame & Decking: Fit-Step 2.0™ Frame, Soft-Tec™ Decking

Articulation: Rotating Toe Cord

Control: CustomWrap 2.0™ Binding

Traction: Recreational Toe and Heel Crampons

MEN'S

Available Sizes: 25", 30", 36"

Weight/Pair: 3.6 lbs / 1.64 kgs (25")

WOMEN'S

Available Sizes: 21", 25"

Weight/Pair: 3.5 lbs / 1.62 kgs (25")

XPLORE

¥23,100 (税込)

The best way to start snowshoeing! The Xplore's minimalist design has everything you need and nothing you don't. It brings a classic aesthetic and shape that is approachable by all levels of snowshoers, at an excellent price. The lightweight tubular Fit-Step™ frame with an innovative, upturned tail provides biomechanical benefits, reducing muscular skeletal impact on hip, knee and ankle joints by 10%*. The QuickPull™ binding holds your foot securely with an intuitive forefoot strap that cinches and unlocks easily, while our Control Wings™ aid in heel alignment. With plenty of traction from the carbon steel Recreational toe and heel crampons, the Xplore is ready to get you out and on snow this winter.

*According to a study conducted by Ray Browning, Ph.D. (Colorado State University).

Frame & Decking: Fit-Step™ Frame, Soft-Tec™ Decking

Articulation: Rotating Toe Cord

Control: QuickPull™ Binding

Traction: Recreational Toe and Heel Crampons

MEN'S

Available Sizes: 25", 30"

Weight/Pair: 3.6 lbs / 1.61 kgs (25")

WOMEN'S

Available Sizes: 21", 25"

Weight/Pair: 3.6 lbs / 1.62 kgs (25")

FLEX ESC

¥26,400 (税込)

The Flex ESC is an excellent way for those new to snowshoeing to become better acquainted with the activity. With all of the functional features you need at a fantastic price, the Flex ESC is a great option for winter hikers looking to take on the trails this season. Its composite Torsion Deck™ features the added benefit of the Tubbs Flex Tail™ for a more natural roll from heel to toe. Featuring traction rails and the Tubbs toe crampon the Flex ESC brings the needed grip on hard packed, icy trails. Lastly, for those steeper ascents, we've added the ActiveLift™ 16° heel lift to reduce tendon strain and calf fatigue.

Frame & Decking: Torsion Deck™, Flex Tail™

Articulation: Rotation Limiter

Control: QuickPull™ Binding

Traction: Traction Rails and Tubbs Toe Crampon

Other: Heel Lift 16°

MEN'S

Available Sizes: 24", 28" (XL)

Weight/Pair: 3.8 lbs / 1.72 kgs (24")

WOMEN'S

Available Sizes: 22"

Weight/Pair: 3.6 lbs / 1.64 kgs

ECLIPSE

S : ¥19,800 (税込)
M・L : ¥25,300 (税込)

Introducing the Eclipse snowshoe. It's simple design practicality for the beginner snowshoer and the entire family, for a fun day out on the snow. The Eclipse is built around the Torsion Deck™ and features rail pins which enhances traction, preserves your natural gait, and supports comfort when the terrain becomes uneven. The Eclipse's intuitive Quickstrap™ binding is easy to use and holds securely over the top of your foot and heel to keep you locked in. The Eclipse straight forward sizing system takes the difficulty out of finding the perfect fit, just choose from three different sizes based on your boot size. After a full day of adventure, storing is made simple with our EZ-Stack™ decking design which allows up to four pairs to lock together. The Eclipse is as functional as it is practical.

Frame & Decking: Torsion Deck™, Flex Tail w/ EZ-Stack™
Articulation: Fixed Toe Cord
Control: Quickstrap Binding
Traction: Injected Traction Rails
Other: Securely stacks up to 4 pairs

UNISEX

Available Sizes: Small, Medium, Large
Weight/Pair: 2.8 lbs / 1.27 kgs (Medium)

Designed snowshoes for the adventurous kids. Whether a seasoned explorer or taking their very first steps in the snow, our Kid's Snowshoe Category has everything needed to have a blast in the fluffy, white world of winter.

STORM

¥20,900 (税込)

The Storm is a true kid-friendly model, boasting functional features and a cool look! Best for kids ages 6-10, this unisex snowshoe might look like mom and dad's, but it features a tapered frame shape built to accommodate a smaller stance. With the secure, comfortable and easy to use QuickLock™ binding and Recreational toe and heel crampons the Storm is ready to hit the trails for snow-filled adventure!

Control: QuickLock™ Binding
Traction: Recreational Toe and Heel Crampon

Available Sizes: 19"
Recommended Ages: 6-10
Recommended Shoe Size: Youth 11 - Men's 4
Weight/Pair: 2.2 lbs / 1.00 kgs

FLEX JR

S: ¥17,600 (税込)

The Flex JR is a stand-out snowshoe for kids ages 6-10. Its composite deck brings the award-winning Flex Tail™ design to our Youth category, allowing the snowshoe to roll more naturally from heel to toe for a smooth feeling stride. The Flex JR is rounded out with the QuickLock™ binding which features a simple tightening and locking buckle paired with an easy-stretch heel strap that enables kids to take control.

Frame & Decking: Torsion Deck™, Flex Tail™
Articulation: Rotation Limiter
Control: QuickLock™ Binding
Traction: Traction Rails and Tubbs Toe Crampon

Available Sizes: 17"
Recommended Ages: 6-10
Recommended Shoe Size: Youth 11 - Men's 4
Weight/Pair: 2.1 lbs / 0.97 kgs

SNOWBALL

¥12,100 (税込)

Instill a love of winter at a young age with the Tubbs Snowball, the perfect snowshoe for kids ages 4-8. The QuickLock™ binding is secure and comfortable while providing easy on and off for kids and parents alike. The Snowball has plenty of traction for a fun day in the snow - just add snacks and adventure awaits!

Available Sizes: 16"

Recommended Ages: 4-8

Recommended Shoe Size: Youth 11 - Men's 4

Weight/Pair: 1.4 lbs / 0.66 kgs

SNOWFLAKE

¥12,100 (税込)

Designed for the youngest explorers (approx. 3-6 years old), the Snowflake is a great introduction to snowshoeing. The Snowflake's fun design features an easy to use two-step binding and, best of all, a sticker pack for boys and girls to customize their snowshoes!

Other: Sticker Pack for Custom Snowflakes

Available Sizes: 14"

Recommended Ages: 3-6

Recommended Shoe Size: < Youth 11

Weight/Pair: 1.3 lbs / 0.60 kgs

ACCESSORIES

SNOWSHOE PACK

¥7,700 (税込)

Adjustable shoulder straps hold this anatomically designed pack snug against your back for hands-free movement and easy access. A grab-and-go side handle lets you transport your gear in one hand, while durable nylon-canvas and mesh construction allows your snowshoes to dry between uses.

Available Sizes: 8 x 25 in. / 20 x 64 cm
9 x 30 in. / 23 x 76 cm
10 x 36 in. / 25 x 91 cm

GAITORS

¥6,270 (税込)

No one likes wet boots and socks! The Tubbs full-length nylon gaiters provide protection from the elements by keeping snow out of your boots and off of your pants. Water-resistant and breathable, these gaiters keep your feet comfortable and dry on those cold, wet winter hikes.

One Size

TRAIL WALKING 2-PIECE POLES

¥11,000 (税込)

The Trail Walking Poles are the perfect companions to our snowshoes for hikes in flat to moderate terrain. These poles are crafted from 6000 series aluminum and feature a seamless 2-part shaft, twist-lock adjustment, a rubber grip, and steel tips.

One Size

Extended Length: 41.3-51.2 in. / 105-130 cm

Collapsed Length: 30.7 in. / 78 cm

Weight (Pair): 1.1 lbs / 0.50 kg

DAY HIKING 3-PIECE POLES

¥12,100 (税込)

For those seeking more adventure, the Day Hiking Poles provide added support on the snow and break down to a smaller size to allow for easy packability. These poles are crafted from 6000 series aluminum and feature a seamless 3-part shaft, twist-lock adjustment, a rubber grip, and steel flex tips.

One Size

Extended Length: 35.5-57 in. / 90-145 cm

Collapsed Length: 26.25 in. / 67 cm

Weight (Pair): 1.2 lbs / 0.54 kg
